More On Ruby Methods

```ruby
# self.rb

puts self
# main

# http://rubylearning.com/satishtalim/ruby_self.html

class Person

  def self.class_name
    puts self # Person is an instance of Class
  end

  def self.my_class_method
    puts "This is my own class method"
  end

end

Person.class_name
# Person
Person.my_class_method
# This is my own class method
```
